

# CHERRY WIND

**Concentrated Liquid Deodorizer**  
**Stops Organic Odor**  
**Pleasant Cherry Fragrance**  
**Biodegradable**  
**Environmentally Friendly**

## BRC PRODUCTS

*Quality Commercial Janitorial Supplies*

This deodorizer is effective for deodorizing all unpleasant odors. It is particularly useful for rest rooms, animal odors, cooking odors and tobacco & smoke room odors. During carpet cleaning operations using either steam or shampoo, using this deodorizer in the solution tank or applying by spray method can eliminate odors. Avoid breathing vapors. Do not soak carpet. Wick Devices: Product may be used in numerous wick devices for general deodorizing. Note: Dilution may be varied depending upon intensity of odor. Do not use on surfaces which water will harm.

### Cherry Wind Dilution Table

<b>6 oz per Gallon of Water</b>
<b>10 oz per Gallon of Water</b>
<b>14 oz per Gallon of Water</b>
<b>22 oz per Gallon of Water</b>

General Deodorization: Use dilution 1. Spray or mop on walls, floors, etc. Carpet Cleaning: Use dilution 1 in solution tank or by spray method. Toilet Bowls & Urinals: Use dilution 2. Spray or mop bowl & urinals including base and floor around fixture. Industrial Deodorization: Use dilution 3 for trucks, factory equipment and processing plants. Acute Malodor: Use dilution 4 for vomiting, decay or garbage. Cover area liberally.

**CAUTION:** Avoid contact with eyes, skin, and clothing. Wash thoroughly after handling.

**FIRST AID:** In case of contact with eyes, immediately flush with plenty of water for at least 15 minutes. Call a physician. Flush skin with water. If swallowed, drink plenty of water. Do not induce vomiting.
