### CONCENTRATED GREASE & GRIME GETTER

#### DIRECTIONS

For routine maintenance 1 part concentrate to 100 parts water. For light cleaning, 1 part concentrate with up to 50 parts water. For general cleaning requirements, 1 part concentrate to 10 parts water. For exceptionally stubborn stains, repeat cleaning procedure at a more concentrated dilution. Rinse thoroughly after use.

#### DESCRIPTION

The cleaner of the future. A concentrated cleaner without harmful toxic vapors that is more appealing than water soluble solvent cleaners. This concentrate will clean and deodorize simultaneously in one easy operation. This product is environmentally appealing because it contains no soaps, phosphates, highly toxic solvents or non biodegradable detergents. Recommended for use where soluble solvent cleaners cannot be used and where greasy, oily soils exist.

**NOTE:** Do not use undiluted on composition floors, water based paint surface, glass or aluminum. After use of this product, surfaces should be rinsed freely with water. Avoid contact with eyes and mucous membranes.

#### WARNING: MAY CAUSE IRRITATION

##### FIRST AID

**INGESTION:** Give 8 to 16 ounces of water to dilute substance. Call a physician or local Poison Control Center immediately. Never give anything by mouth to an unconscious person. **EYES:** Flush eyes with plenty of water for at least 15 minutes. If irritation persists, call a physician.

**SKIN:** If skin becomes irritated, flush with water. **INHALATION:** If symptoms of overexposure develop, remove to fresh air.
